# The Fight for the Fescue Bowl

## **Format:**

- Each team has 8 Team members. Assign one person as Captain.
- Each week 6 Team members will play match play against another team.
- The extra 2 players will play for weekly competitions and optional deuce pot if they decide to participate or can just play golf for fun.
- The Team Captain is responsible for deciding who plays each week.
- The Format is Net Match Play. If player A is a 10 Handicap and Player B is a 20 Handicap then Player A gives Player B 5 Strokes on 9 Holes.
  - Take the Higher Hdcp minus the Lower Hdcp divided by 2 because you are only playing 9 Holes.  $20 - 10 = 10 / 2 = 5$
  - If a decimal then round down for front nine and back nine.
  - The strokes will be taken on the hardest holes as marked by each holes Hdcp on the scorecard.
- Each week (usually on Sunday) the pro-shop will send out the weekly draw with hole assignments. The team captains will then correspond with their opponent's captain to arrange the matches and assign a hole for each player on their team.
- The pro-shop will also send out current handicaps for each player.
- Captains **MUST** put their lowest Hdcp's against other teams lowest Hdcp's and High Hdcp vs. High Hdcp.
- If a team only has 5 or less players playing in any given week, one or two players may play 2 matches. However, they must play similar handicap players.

## **Scoring:**

- Each week you must report who won your match to the pro-shop scorer.
- **Points in the past were 2 points for winning the match, 1 point for a tie and 0 points for a loss. The NEW point system will award 1 point for each hole won. If you win all 9 holes you win the match 9 – 0. If you tie a hole each person gets a ½ point each. Each TEAM MATCH has 54 points available.**
- Tally sheets are provided to the captains, which may be used to submit your results.
- The Regular Season consists of 13 weeks of round robin play; each team will play 13 of the other 15 teams in a random draw format.
- Playoffs – The last four weeks are the playoffs, all teams will qualify. The 1<sup>st</sup> place team will play the 16<sup>th</sup> place team in week one of the playoffs, 2<sup>nd</sup> place vs. 15<sup>th</sup> place and so on in week one. If you lose in the first week you go the “B” side and if you win you are on the “A” side. After week 2, if you lose you are out. In week 4 of playoffs we will have 2 teams competing head to head for the Fescue bowl and 2 teams competing for the “B” side final. Also in week 4 will be our Team Scramble Event for the other 14 teams. The year-end banquet will immediately follow this last week of competition and all prizes will be handed out that night.
- Tiebreakers - Regular season tiebreakers (for seeding purposes) will be determined by retrogression. The team that was ahead in the standings the previous week would win the tiebreaker and get the lower seed. If there are ties during the playoffs, the winner will be determined by a sudden death playoff between 2 players chosen by the team captains. The higher seeded team will chose their player first and the lower seeded team will chose their player second. Tiebreakers will take place on either the 1<sup>st</sup> hole or 10<sup>th</sup> hole based on availability. The pro-shop scorer will decide which hole to start on.

## **2019 Men's League Rules:**

### **Handicaps:**

- All players must establish a handicap before May 8th or you will play as a 0 handicap. **No exceptions.** We will set up a Mens League Handicap system this year where all your Mens League scores will formulate your Mens League Handicap.
- It will be mandatory to turn in your score as well as the outcome of your match each week.
- **The Mens Club committee has final say on Mens League handicap issues.**

### **Check in:**

- **All golfers MUST check in to Pro-shop before heading out to play.**
- **Please check in by 5:45pm so you have time to get to your hole**
- We need to check in all players in our computer system each week
  - We need to ring in all power carts that are taken
    - Power carts are sold by the rider. All riders must pay for the cart.
    - Golfers found riding without paying for a cart will be charged with the credit card on file. Marshals will be checking for non-paying riders.
  - You may sign up for any draws/raffles, pools or promotional events.

### **Cancellation of a week:**

- If play is canceled or suspended due to rain or extreme weather then the points from that week will be CANCELED.
- Do not assume play will be canceled, that decision will be made at the last possible moment; we all know the unpredictability of our weather. Call the pro-shop for updates.

### **Spares:**

- Teams are responsible for their own spares; if you have less than 6 players attending you may fill spots with spares or have one or two, (not 3) of your players playing against two players from the other team. Remember Spares must have some legitimate form of Handicap or they play as a 0 Hdcp. Spares are charged a \$25.00 Green fee for the 9 hole event (plus \$15.00 for the additional 9 holes)

### **Groups:**

- If all players on each team show up there should be 4 groups of 4 players, the two spares must play with the other teams' two spares.
- Five-somes will be allowed if there is no one else for that single to play with.
- **ABSOLUTELY NO SIX-SOMES ARE ALLOWED.**

### **Pace of Play:**

- **Pace of Play must be maintained at all time.**
- Keep up to the group in front of you.
- Our course marshals will let you know that you are out of position.
- **(2 hours, 15 minutes is your goal)**
- **Do not play additional holes after your round. We need your results.**

## **Match Play Rules and Etiquette:**

### **Gimmee putts are encouraged to help speed of play.**

- 🕒 At any time during the play of a hole you may either concede the hole to your competitor or give them the shot they are about to play.
- 🕒 We understand everyone wants to play each hole. If you find you are holding up your group and are out of the match for that hole, please concede the Hole and carry on to the next. It is not mandatory to finish each hole, we would actually prefer it not happen as this would take a toll on speed of play.
- 🕒 You must tell your competitor that you are giving them a putt or conceding the hole, do not assume they know.

### **Order of Play does not always have to be based on the honour system.**

- 🕒 Etiquette deems that the winner of the previous hole Tees off first on the next hole. Each group can decide to follow this rule or play ready golf. Same goes for play during the hole, rules state that the furthest from the hole plays first. Again our recommendation is that we play ready golf until the putting green and even on the green if you find your group to be behind in time.

### **Showing up late**

- If you do not arrive on time for your match, you automatically lose the holes in which you did not play
- Captain revisions to the team draw should not be altered due to a player arriving late

### **Handicaps**

- **It is important to keep your handicap current and accurate.** Because this is net competition for money, it is only fair if the competitors are playing with an accurate handicap.
- We will be setting up a Mens League Handicap system this season. Your Mens League Handicap will be used for all matches.
- We will be collecting scores from every player each week to create your Mens League Handicap
- Handicaps will be frozen at the end of the regular season and will remain locked for the playoffs

### **Playing Extra holes is not allowed**

- If you finish your 9 hole round on a hole other than 9 or 18, please do not play additional holes back to the clubhouse
- **We need your match results as soon as possible so we can hand out the prizes.**
- If you want to play the extra 9 holes, show up at 3:00pm and sign up on the draw sheet at the pro-shop
- Extra 9 holes costs \$15.00. 18 hole power cart costs \$15.00
- During the regular season, we will try to get you on the opposite nine holes but this is not guaranteed.
- During the playoffs, you must play the opposite nine of your match.

## **2019 Weekly Prize Breakdown:**
